

## **ABOUT THE FALSE DOCTRINE OF "Salvation by Works."**

Since Jesus Christ's Death and resurrection some 2000 years ago, the false doctrine of salvation by works has arisen to replace the true doctrine of salvation by faith. The doctrine of salvation by works is so prevalent today that it totally over shadows the doctrine of salvation by faith. Even though it is totally UNSUPPORTED by biblical scripture and is completely contrary to common sense, it is preached as "gospel" by a majority of "Christian" preachers today. Simply put, it is the following: "Jesus Christ died for your sins, but even though you accept that fact, it is not enough to save you from going to hell. You have to live a life of not sinning as well." So, basically you have two requirements put on you to get to heaven: (1). Believe that Jesus died for your sins, and (2). Keep the 10 Commandments. Few people stop to think how stupid and absurd this doctrine is. First for starters, if we could have been able to keep the 10 Commandments we would not have needed a Savior, as we could save ourselves under Old Testament law. Second, this would illogically mean that Jesus Christ's death was for only part of our sins, not all of them. Really?, then, how many?; specifically, which sins?, when, & where?" If his death doesn't cover ALL OF THEM, then what does his death cover? Bottom line here is, Jesus either died for all of our sins or he didn't die for any of them; there is no shade of grey involved in his death on the cross! Herein lies the real rub: If you don't believe that Jesus died for all of your sins, but that you need yourself to save yourself through your own "good works," you will stand before God to be judged on your own works, not looking to Jesus to save you. Bad scene! You are damning yourself to hell by not accepting Jesus as your total Savior. Jesus either is or he isn't your Savior; you can't have it both ways. Think about all of this seriously. Your salvation depends upon it. Jesus Christ is either your Savior or he isn't. To whom are you looking to save you from going to hell?
