

*The Skulls* is a 2000 film starring [Joshua Jackson](#), [Paul Walker](#) and [Leslie Bibb](#), directed by [Rob Cohen](#). Its plot is based upon the occult practices surrounding Yale University's Skull & Bones student society.

The film was critically panned, like all exposé movies of this type, but, nevertheless, it was so successful that it even spawned two direct-to-video sequels, *The Skulls II*, directed by [Joe Chappelle](#) and starring [Robin Dunne](#), [Ashley Lyn Cafagna](#) and *The Skulls III*, with [Clare Kramer](#) as the first woman member of the society.

***The Skulls – A Trilogy*** is the offering of all three films for viewing at your leisure on the internet at the following link:
